(c)(1) Requests for records may be eligible for expedited processing if the requester demonstrates a compelling need. For the purposes of this section, compelling need means:

(ii) that the requester is a person primarily engaged in disseminating information and there is an urgency to inform the public concerning actual or alleged Federal government activity.

(2) A requester who seeks expedited processing must submit a statement, certified to be true and correct to the best of that person's knowledge and belief, explaining in detail the basis for requesting expedited processing. A determination on the request for expedited processing will be made and the requester notified within 10 working days. The Legal Counsel or designee shall promptly respond to any appeal of the denial for expedited processing.
